1

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

 5 minutes

PROBLEM

How might we help cosmetics brands and stakeholders explore product performance, customer preferences, and market trends

Key rules of brainstorming

To run a smooth and productive session

 Stay in topic.

 Encourage wild ideas.

 Defer judgment.

 Listen to others.

 Go for volume.

 If possible, be visual.

Step-2: Brainstorm, Idea Listing and Grouping

2

Brainstorm

Write down any ideas that come to mind that address your problem statement.

🕒 10 minutes

Develop an AI-powered platform that analyzes customer reviews and social media feedback to identify trends and preferences.

Implement a loyalty program that rewards customers for completing surveys and providing detailed product reviews.

Partner with influencers and beauty experts to conduct product trials and share their honest opinions with their followers.

Organize focus groups and workshops with diverse customer demographics to gather in-depth insights on product performance and preferences.

Create a virtual try-on app that allows customers to test products and provide real-time feedback on their experience.

3

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

🕒 20 minutes

Users seek intuitive dashboards to compare cosmetics product performance easily

Data inconsistency and fragmentation are major blockers for confident decision-making

Beauty brands want tools that personalize consumer experience insights by segment

There's a need to blend qualitative and quantitative insights from diverse sources.

Stakeholders want to monitor market trends and adapt quickly to changing consumer behavior

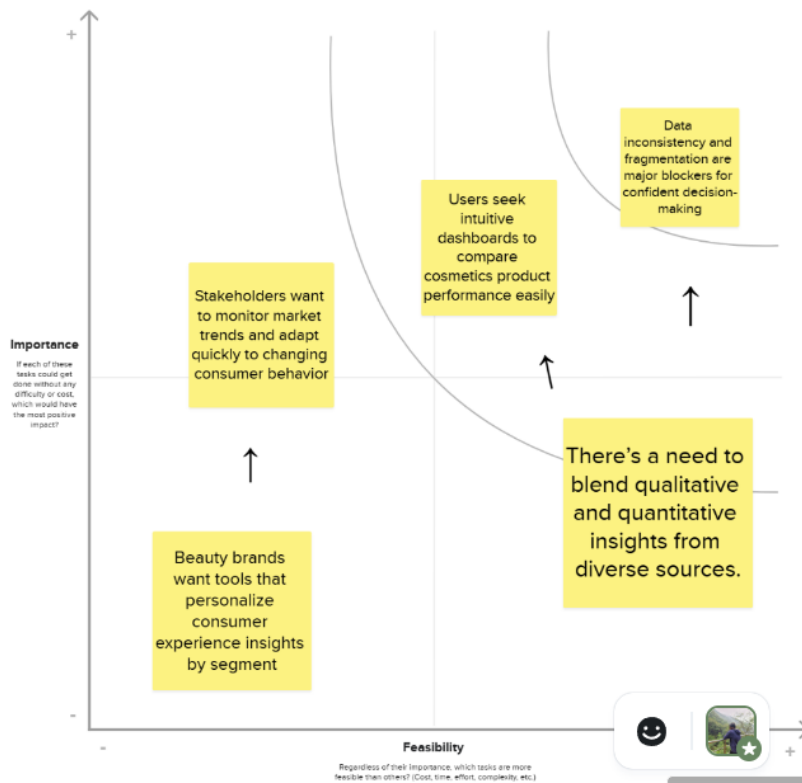

Step-3: Idea Prioritization

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
